

ASGE's Hands-On Workshops

Saturday - Monday,
June 2-4, 2018
Walter E. Washington
Convention Center
Washington, DC

These sessions will provide an opportunity for participants to interact with expert faculty as they demonstrate cutting-edge techniques. *Space is limited to 40 registrants per session, so register early.*

SATURDAY, JUNE 2

8:00 – 10:30 am **ESD (HW1)**
This workshop will cover the indications and differing methods of ESD. Faculty consists of leading authorities worldwide in this technique.
Course Director: Uzma Siddiqui, MD, FASGE

NOON – 2:30 pm **SUTURING AND CLOSURES (HW2)**
This workshop will allow participants to gain experience in endoscopic suturing and endoscopic closure techniques.
Course Director: Neil Gupta, MD, FASGE

SUNDAY, JUNE 3

9:00 – 11:30 am **BARIATRIC THERAPIES (HW3)**
Become familiar with FDA-approved endoscopic devices and investigational endoscopic devices for weight loss.
Course Director: Marvin Ryou, MD

1:00 – 3:30 pm **BARIATRIC THERAPIES (HW4)**
(Repeated session) Become familiar with FDA-approved endoscopic devices and investigational endoscopic devices for weight loss.
Course Director: Marvin Ryou, MD

MONDAY, JUNE 4

12:30 – 3:00 pm **EMR (HW5)**
Various EMR techniques and their suitability or unsuitability for specific target lesions in various luminal organs will be addressed by faculty.
Course Director: Ryan Law, DO

	On or before April 18	After April 18
