2018 ASGE ANNUAL POSTGRADUATE COURSE

Frontiers in Gastrointestinal Endoscopy: A Crossroad Between Innovation and Practice

The ASGE Annual Postgraduate Course at DDW 2018 is an interactive, evidence-based learning opportunity, presented by renowned GI thought leaders. As a course participant, you will learn well-established best practices along with new and innovative approaches to everyday endoscopic challenges.

DEAR ASGE COLLEAGUE:

The 2018 ASGE Annual Postgraduate Course will be held Sunday afternoon and Monday morning, June 3-4. As you make your plans for DDW 2018 in Washington, DC, it is our pleasure to invite you to register for this year's program, *Frontiers in Gastrointestinal Endoscopy: A Crossroad Between Innovation and Practice*. You can choose to attend the entire course over two half days or attend a single half-day session.

Course highlights include:

- **State-of-the-art, evidence-based lectures** on diverse topics including, but not limited to, quality metrics in therapeutic endoscopy; techniques for management of pancreatic fluid collection; the diagnosis and management of hereditary colon cancer syndromes; best practices in upper GI bleeding; endoscopic therapy for Barrett's esophagus; and advances in tissue resection
- **Expert approaches to endoscopic problems** providing management tips and tricks for a variety of GI diseases
- **Collaborative learning** through video-based case discussions
- **Methodologies for recognizing and minimizing** adverse events and new management options
- Earn **AMA PRA Category 1 Credit™** and **ABIM MOC Points**
- **Option to register** for each half-day separately or register for full course at a discount

ASGE is also offering several Hands-On Workshops at DDW, offering participants an opportunity to interact with expert faculty as they demonstrate cutting-edge techniques. For more information about the various ASGE activities at DDW, visit www.asge.org/DDWb. To register for the ASGE Annual Postgraduate Course and the Hands-On Workshops, visit www.DDW.org. Early registration discounts end April 18, so register now and save.

We're looking forward to seeing you in Washington, DC!

WHY YOU SHOULD PARTICIPATE

The ASGE Annual Postgraduate Course brings together experts from across the country to discuss innovations in endoscopy, tips for ensuring endoscopic success and practical approaches to everyday endoscopic challenges. The focus of the course is to provide all endoscopists with tools and techniques that apply to everyday practice, spanning from general to therapeutic endoscopy. The program will highlight worst mistakes, pitfalls and pearls, managing adverse events, and healthcare economics. The broad spectrum of gastrointestinal diseases including Barrett's esophagus, achalasia, pancreaticobiliary diseases, polyps and cancer, and obesity management will be covered. Information is presented in the form of didactic lectures, case-based discussions, video cases, and panel discussions with audience participation to optimize the learning experience.

WHAT YOU WILL LEARN

Upon completion of this educational activity, participants will be able to:

- Apply new endoscopic techniques to common disease states that enhance patient outcomes
- Determine the best approach to the management of complex endoscopic challenges
- Integrate current quality standards into everyday clinical practice
- Combine emerging technology with established endoscopic tools to optimize clinical results

WHO SHOULD ATTEND

This course is designed for international and U.S.-based participants, including practicing gastroenterologists, surgical endoscopists, gastroenterology trainees, endoscopy nurses and technicians.

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 9 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity enables the participant to earn up to 9 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

REGISTER ONLINE TODAY AT WWW.DDW.ORG

Early registration discounts end April 18, 2018.

DISCLOSURES

ASGE requires all individuals who are in a position to control the content of an educational activity to disclose all relevant financial relationships with any commercial entity producing health-care related products and/or services. Disclosures are made in written form prior to the start of the educational activity and any potential conflicts of interest that exist are resolved prior to the start of the activity through the ASGE Conflict of Interest Resolution Policy Process. All disclosures are made available and communicated to the learner prior to the activity starting.

SUPPORT THE ASGE FOUNDATION

Educational programming through the ASGE Institute for Training and Technology is supported, in part, by the ASGE Foundation. To donate visit asge.org/foundation.

INDUSTRY

Industry representatives interested in attending this course must contact Linda Kay Tyler, Senior Director of Sales and Business Development (phone: 630-570-5601; email: lt Tyler@asge.org) or Sara Estrella, Assistant Manager of Sales and Business Development (phone: 630-570-5618; email: sestrella@asge.org). In compliance with ACCME guidelines, industry representatives may not participate in hands-on training or ask questions during a CME course.

PHOTOGRAPHY WAIVER

ASGE periodically takes photographs and/or video during our educational courses and events, and reproduces them in ASGE educational, news or promotional material, whether in print, electronic or other media, including the ASGE website. By participating in this course, you grant the right to use your name and photograph for such purposes to ASGE. All postings become the property of ASGE.
