

ASGE Special Interest Group Meetings

Join us on Monday, May 20, 2019, at the San Diego Marriott Marquis to participate in one of the 10 ASGE SIG meetings. There is no charge to attend the meetings, but you need to register and be a SIG member.

Not a member? The application form is at the end of this list or contact ASGE Customer Care at info@asge.org or 630-573-0600.

To register, click on the links below.

8:00 to 9:30 a.m.

[Ambulatory Endoscopy Centers \(AEC\)](#)

La Costa, South tower, 4th floor

Chair: Reed Hogan II, MD

“Hop Topics for Your AEC”

Faculty:

Lyndon Hernandez, MD, MPH, FASGE

V. Raman Muthusamy, MD, FASGE

Harish Gagneja, MD

David Roberts, MD, FASGE

[ASGE Women in Endoscopy \(AWE\)](#)

Rancho Santa Fe 1-2, North Tower, 2nd floor/lobby

Chair: Prabhleen Chahal, MD, FASGE

“Gender Equity and Promoting Women in GI: Current Status and Future Strategies from ASGE Leadership,” John J. Vargo II, MD, MPH, FASGE, ASGE President-elect

“Breaking the Glass Ceiling: Key Ingredients for Effective Executive Leadership,” Barbara Connell, CAE, ASGE CEO

“Creating and Leading a Women’s Association: Lessons Learned,” Sharmila Sachithanandan, MD, Chairperson, Women in Gastroenterology Network Asia-Pacific (WIGNAP)

“Finding Your Niche and Building Your Brand,” Amandeep Shergill, MD and Anne Marie Lennon, MD, FASGE

[Endoscopic Retrograde Cholangiopancreatography \(ERCP\)](#)

San Diego Ballroom C, North Tower, 2nd floor/lobby

Chair: Douglas Adler, MD, FASGE

“Adverse Events in ERCP in 2019: How to Avoid, How to Treat,” Vivek Kaul, MD

Endoscopic Submucosal Dissection (ESD)

Torrey Pines, North Tower, 2nd floor/lobby

Chair: Mainor Antillon, MD, MPH, MBA

“Advances in Endoscopic Resection”

“Endoscopic Mucosal Resection, a Western World Experience,” Kenneth Wang, MD, FASGE

“Update on Full Thickness Resection,” Karel Caca, MD

“Duodenal ESD—the New Frontier,” Naohisa Yahagi, MD, PhD

Endoscopic Ultrasonography (EUS)

Point Loma/Solana, South Tower, 1st floor

Chairs: Vanessa Shami, MD, FASGE and Shyam Varadarajulu, MD

“Hot Topics in EUS as We head to 2020”

8:00–8:10 am: EUS Literature Update, Ji Young Bang, MD, MPH

8:10–8:22 am: Devices for EUS-guided Interventions: What is new and what is coming?
Shyam Varadarajulu, MD

8:25–8:37 am: Echoendoscope-related Infections: What is the risk and how to prevent?
Marco Bruno, MD, PhD

8:40–8:52 am: What are the top 5 burning research questions in EUS? Thomas
Roesch, MD

8:55–9:07 am: Has FNB finally eliminated the need for ROSE? Mohamad Eloubeidi,
MD, MHS, FASGE

9:10–9:22 am: Is it time to integrate EUS training in 3-year GI fellowship? Girish Mishra,
MD, MSc, FASGE

9:25–9:30 am: Discussion & Closing Remarks

Intraductal Endoscopy and Cholangiopancreatography (IECP)

San Diego Ballroom A, North Tower, 2nd floor/lobby

Chair: Raj Shah, MD, FASGE

“Proving Efficacy of Intraductal Endoscopy: What Tools and Investigations are Necessary?”

“Cholangioscopy-guided RFA: Current and Emerging Techniques and Outcomes,” Neil Sharma, MD

“Detecting Neoplasia using Cholangioscopy: AI to the Rescue?,” Mouen Khashab, MD

“Tools and Skills Necessary to Begin a Cholangiopancreatography Practice,” Ben Devereaux, MD, FASGE

Latin American Gastroenterologists and Endoscopists (LATAM)

Rancho Santa Fe 3, North Tower, 2nd floor lobby

Chair: Hernando Gonzalez, MD, FASGE

The LATAM SIG session will be conducted in Spanish. The main goal of the session is to meet with fellows and young faculty from Latin America to discuss further educational activities.

Small Bowel Endoscopy and Capsule Endoscopy (SBE/CE)

Santa Rosa, South Tower, 1st floor

Chairs: Carol Semrad, MD, and Michael Chiorean, MD, FASGE

“Small Bowel Vascular Malformations: Towards a Consensus in Diagnosis and Treatment”

10:00 to 11:30 a.m.

Endoluminal Therapy for Esophageal Disease and Gastroesophageal Reflux Disease (ETED/GERD)

San Diego Ballroom B, North Tower, 2nd floor/lobby

Chairs: Seth Gross, MD, FASGE and Abraham Khan, MD, FASGE

EGJ Outflow Obstruction and Achalasia: How Should I Manage My Patient?, Joan Chen, MD

Barrett's Esophagus: Clinical Pearls in 2019, Michael Smith, MD

Comparing GERD Procedural Therapies: Appropriate Patient Selection, Reginald Bell, MD

Interventional IBD (IIBD)

Cardiff, South Tower, 3rd floor

Chairs: Bo Shen, MD and Gursimran Kochhar, MD

“Interventional IBD—Is the Prime Time Coming?”

Moderators: Francis Farraye, MD, MSc, FASGE and Uday Navaneethan, MD, FASGE

10:00 am: Welcome and introductions: Bo Shen, MD, FASGE and Gursimran Kochhar, MD, CNSC, FACP

10:05–10:20 am: Tips and Tricks of EMR in IBD: Michael Wallace, MD, MPH, FASGE

10:20–10:25 am: Questions for Dr. Wallace

10:25–10:40 am: Endoscopic Balloon Dilatation in IBD, Tips and Tricks: Raymond Cross, MD

10:40–10:55 am: Perspectives of Interventional IBD: Dr. Shen

10:55–11:10 am: Use of Enteral Stents in Management of IBD: Dr. Navaneethan

11:10–11:25 am: Questions and Answers

(Back up topic: Distinguishing Inflammatory vs. Fibrostenotic Strictures: From Pre-procedural Imaging Perspective: Speaker to be announced)

11:25–11:30 am: Closing remarks: Dr. Kochhar and Dr. Shen

SPECIAL INTEREST GROUPS (SIGs)

Join for only \$25 per SIG
