

## American Society for Gastrointestinal Endoscopy

Over 10,000 members worldwide agree...ASGE membership is a must! The American Society for Gastrointestinal Endoscopy (ASGE) invites you to get connected and join your GI colleagues as a member of ASGE.

### **BENEFITS OF ASGE SENIOR MEMBERSHIP INCLUDE...**

- ***Education & Training***  
ASGE's Institute for Training and Technology conducts more than 20 interactive and hands-on educational courses annually, offering participants the most current training on cutting-edge technologies, expert techniques, and evidence-based standards of care in GI endoscopy. Members can register for all courses at a discounted rate. Visit [www.ASGE.org](http://www.ASGE.org) for details!
- ***Valuable practice guidelines and technology reviews***  
Stay up-to-date on the latest clinical guidelines and technology reviews. Access more than one hundred endoscopic practice guidelines and technology assessments online and in *GIE: Gastrointestinal Endoscopy*.
- ***Practice management resources***  
Seven new practice management DVDs have been added to the ASGE Endoscopic Learning Library. Each title features up-to-date information on practice management techniques to enhance your practice. These video programs were captured during *GO 2007: GI Outlook* conference (August 2007). Purchase these and other ASGE products at a special member rate.
- ***Discounted DDW registration***  
DDW registration for ASGE members is offered at a discounted rate. Digestive Disease Week® is the leading international educational forum for digestive academicians, clinicians, researchers and trainees. Attend the ASGE Postgraduate Course held annually at DDW at a discounted member rate. Visit the ASGE IT&T Learning Center to view world-class videos of endoscopic procedures and receive member discounts on all purchases at the ASGE Store and the IT&T Learning Center.
- ***Endoscopic research funding opportunities***  
Research opportunities for funding at all career levels and for a variety of research topics exist. In 2008, through the ASGE Foundation, the Society will fund more than \$800,000 in research initiatives. From Endoscopic Research Career Development Awards to Quality in Endoscopy Research Awards, just to mention a few, ASGE is the leader in funding research in GI endoscopy.
- ***Members-only area access***  
Receive online access to exclusive information available only to members, such as the member directory, safety and risk management tools and legislative updates.

- ***GIE: Gastrointestinal Endoscopy***  
Receive online access to *GIE*. *GIE* is ASGE's monthly, peer-reviewed scientific journal and the leading international publication in the field of gastrointestinal endoscopy. Be up-to-date on what is important in the field of GI. Senior members may continue to subscribe to *GIE* at the Member subscription rate of \$65 (a savings up to \$347).
- ***Clinical Update***  
Be educated with this complimentary, single-topic quarterly publication regarding GI endoscopy-related clinical issues authored by known experts in the field. *Clinical Update* is distributed to over 10,000 members of the ASGE in addition to nearly 15,000 primary care physicians who have indicated interest in GI endoscopy.
- ***ASGE News***  
Keep abreast of important issues and industry trends with a complimentary subscription. *ASGE News* is a physician-focused newsletter that features member news and articles related to the GI specialty of endoscopy, including management and public outreach.
