

ASGE INTERNATIONAL CLINICAL SYMPOSIA EXAMPLE

SESSION TITLE: ASGE & World Endoscopy Organization (WEO): Endoscopic Training in Underserved Areas - Challenges and Opportunities

SESSION TYPE: International Clinical Symposium

SESSION DURATION: 90 minutes

DESCRIPTION: Endoscopic training standards can vary by ethnic, geographical, cultural, and economic diversity. As the capabilities and technologies grow in our field, so too must our means of training evolve to ensure that endoscopists can deliver to patients the full benefits these procedures promise to confer. This session will provide varying perspectives of current endoscopic training efforts as well as trends forward in differing geographical locations with a focus on South America, Africa, South-East Asia, and the Middle East.
