2027 Call for DDW Proposals

Are you an ASGE Member? No Yes

Are you submitting a session proposal as part of an ASGE Committee or Task Force? No Yes

Please select which committee or task force:

- please select -
- ABE
- Advanced Endoscopy
- ARIA
- DDW Annual Scientific
- DDW Clinical Symposia
- DDW Executive Planning
- DDW Hands-On
- DDW International Clinical Symposia
- DDW Video Plenary
- Diversity
- Education Council
- eLearning
- Governing Board
- Green Endoscopy Task Force
- Health
- History and Archives
- Medical Simulation and Education Technology
- Membership Engagement
- Practice Operations

Are you submitting a session proposal as part of an ASGE Special Interest Group? No Yes

Please select SIG:

- please select -
- Ambulatory Endoscopy Centers (AEC)
- ASGE Women in Endoscopy (AWE)
- EndoHepatology SIG (EHEP)
- Endoluminal Therapy for Esophageal Disease and Gastroesophageal
- Endoscopic Education (EE)
- Endoscopic Oncology (ONC)
- Endoscopic Retrograde Cholangiopancreatography (ERCP)
- Endoscopic Submucosal Dissection (ESD)
- Endoscopic Ultrasonography (EUS)
- GI Hospitalist (GIH)
- Interventional IBD (IIBD)
- Intraductal Endoscopy and Cholangiopancreatography (IECP)
- Invention
- Latin American Gastroenterologists and Endoscopists (LATAM-GE)
- Small Bowel Endoscopy and Capsule Endoscopy (SBE/CE)

Are you submitting a session proposal as part of an ASGE Group Practice or Hospital Partner? No Yes

Please select the Group Practice or Hospital Partner from the list below:
(Please Note: If you do not see your Practice or Hospital name listed, please select NO to the question above).

- GI Alliance
- GI Associates of Wisconsin
- Ohio Gastroenterology Group
- Springfield Clinic

Are you submitting a session proposal as an individual (not as part of a SIG, Committee or Task Force)? No Yes

First Name:

Last Name:

Email address:

Please indicate which type of session you are submitting:

- Clinical Symposia
- Hands-on Training
- International Clinical Symposia
- 1/2 day Workshop (Friday, Pre-DDW)

Please indicate which type of session you are submitting:

- Clinical Symposia
- Hands-on Training
- International Clinical Symposia
- 1/2 day Workshop (Friday, Pre-DDW)

Are you submitting an international clinical symposia session proposal as an official representative from one of ASGE's international gastroenterology/endoscopy society partners?

- Yes
- No (session proposal is from an ASGE individual international member only)

Choose your ASGE international society partner:

- please select -

- Gastroenterological Society of Singapore (GESS)
- Gastroenterology and Endoscopy Society of Australia (GESA)
- Gastroenterology and Hepatology Society of Sub-Sharan Africa (GHASSA)
- Hong Kong Society of Gastroenterology (HKSGE)
- Inter-American Society of Digestive Endoscopy/ Sociedad Interamericana de Endoscopia Digestiva (SIED)
- Israel Gastroenterology Association
- Japan Gastroenterological Endoscopy Society (JGES)
- Korean Society of Gastrointestinal Endoscopy (KSGE)
- Mexican Association of Gastrointestinal Endoscopy and College of Professionals (AMEG)
- Pan Arab Association of Gastroenterology (PAAG)
- Pan-African Organization for Health, Education, and Research (POHER)
- Pan-Arab Society of Gastroenterology
- Saudi Gastroenterology Association (SGA)
- Societa Italiana Di Gastroenterologia Ed Endoscopia Digestiva
- Societe Nationale Francaise de Gastro-Enterologie (SNFGE)
- Society of Gastrointestinal Endoscopy of India (SGEI)
- Spanish Society of Digestive Endoscopy (SEED)
- Thai Association for Gastrointestinal Endoscopy (TAGE)
- World Endoscopy Organization (WEO)
- If other, enter your Society below

If other, enter your Society below

Session Description

(Please write a brief, 100 word maximum descriptive that details your session proposal, specifically how it is unique compared to existing DDW symposia. We are particularly looking for novel sessions).

Rich text editor toolbar with icons for undo, redo, bold, italic, underline, link, unlink, list, list, quote, and help. Below the toolbar is a large text area for the session description.

Paragraphs: 0, Words: 0/100, Characters: 0

Please indicate which type of session you are submitting:

Please select one session category:

- Select a Primary Track:
- please select -
 - Artificial Intelligence
 - Bariatrics
 - Colonoscopy
 - EGD
 - Endohepatology
 - ERCP
 - EUS
 - New Technology/Innovation
 - Other
 - Quality/Training/Practice Management
 - Small Bowel
 - Sustainability GI/Equity
 - Third Space Endoscopy/ESD/EMR
 - Upper Endoscopy

Please indicate which type of session you are submitting:

Please select one session category:

- Select a Primary Track:
- please select -
 - please select -
 - Biliary Tract Diseases
 - Clinical Practice
 - Colorectal Diseases
 - Education and Training
 - Esophageal Diseases
 - Functional GI and Motility Disorders
 - Health-Care Delivery and Disparities
 - Inflammatory Bowel Disease
 - Liver Diseases and Transplantation
 - Microbiome in Gastrointestinal and Liver Diseases
 - Obesity and Nutrition
 - Pancreatic Diseases
 - Pediatric GI
 - Practice Management
 - Stomach and Small Bowel Disorders
 - Technologies and Procedural Innovations

Learning Objective 2:

Learning Objective 3:

Audience Type

(select all that apply)

Audience Type: 

- Advanced Practice Provider
- Fellow
- GI Researcher
- GI Tech
- Nurse/RN
- Physician
- Resident
- Surgeon
- Trainee

AI Use Disclosure

(Please indicate whether artificial intelligence (AI) tools were used in the development of this proposal).

AI Use: 

- No AI tools were used in preparing this submission.
- AI tools were used in preparing this submission (e.g., drafting, editing, summarizing, and idea generation).

By checking any box (select all that apply), you affirm that all AI-assisted content was fully reviewed, verified, and edited by the submitting author(s):

- AI was used for **grammar, formatting, or language refinement only**.
- AI was used for **idea generation or outlining**, with all content validated by the author(s).
- AI was used for **drafting or rewriting text**, with all content reviewed for accuracy, scientific validity, and absence of bias.
- AI was used for **non-clinical tasks** (e.g., graphic layout, slide formatting).
- AI was **not used to generate clinical recommendations**, determine educational needs, or create content that could influence patient care guidance.
- No confidential, proprietary, or patient identifiable information was entered into AI tools.

Attestation

I attest that **final responsibility for the accuracy, integrity, and independence of this submission rests with the human author(s)** and complies with [ACCME Standards for Integrity and Independence](#).

I attest.

Add your speakers:

Speaker Information

All submissions require at least one moderator, three speakers and one alternate speaker for each speaker.

Please enter speaker full names, email addresses and presentation titles in the required fields when adding in your faculty. We encourage a diverse group of speakers.

Please Note: If your session proposal is accepted, alternate speakers will not be invited to participate in the session unless someone else declines.
