

American Society for
Gastrointestinal Endoscopy

Adult and Pediatric GI Endoscopy: Board Prep and Review

August 6-7, 2022 | Austin, TX

Endorsed by
NASPGHAN

Earn up to 92 AMA PRA Category 1 Credits™!

With curriculum planned by leading experts in collaboration with recently graduated and current GI fellows, this course provides a critical overview of key topics addressed on GI board examinations, within the context of practical practice standards.

Topics include **GI conditions that are diagnosed and treated with upper gastrointestinal endoscopy, colonoscopy, enteroscopy, wireless video capsule endoscopy, endoscopic retrograde cholangiopancreatography, endoscopic ultrasonography, hybrid, laparoscopy-assisted endoscopy and advanced imaging methods.** Tips for those sitting for initial ABIM/ABP GI Certification Exam or those recertifying will be offered.

All attendees receive access to **GESAP X** when they register.
