WHY YOU SHOULD ATTEND

This virtual course features a faculty of nationally recognized educators and experts in the area of colonoscopy who will help participants improve their colonoscopy performance. Through didactic presentations and video panel discussions, participants will learn how to achieve safer, higher-quality and more efficient colonoscopies. Participants will advance their skills in preparing the patient for colonoscopy, screening from anus to appendiceal orifice, adenoma detection and characterization, use of electrosurgery, various techniques for endoscopic resection of large polyps, mucosal defect closure, control of bleeding, as well as the prevention of ergonomic and medico-legal injuries.

WHAT YOU WILL LEARN

Upon completion of this educational activity, participants will be able to:

- Utilize safe and effective bowel preparations and medication management for a spectrum of patient conditions and co-morbidities.
- Implement routine as well as novel adjuvant colonoscopy techniques to enhance colonoscopy screening and surveillance.
- Implement anorectal disease management to your practice
- Resect large polyps safely and completely, using endoscopic mucosal resection (EMR), underwater EMR, cold snare resection, hybrid EMR, and device-assisted resection.
- Reduce post-polypectomy complications by implementing safer techniques and interventions.
- Manage various colonic pathologies

WHO SHOULD PARTICIPATE

This course is ideal for practicing gastrointestinal endoscopists, surgeons, and clinical members of their endoscopy teams who perform colonoscopy.
Colonoscopy 2020 Update: Learning and Doing

COURSE DIRECTORS

Christopher Chapman, MD
The University of Chicago
Chicago, IL

Gottumukkala S. Raju, MD, FASGE
University of Texas, MD Anderson Cancer Center
Houston, TX

INVITED FACULTY

Hiroyuki Aihara, MD, PhD, FASGE
Brigham and Women's Hospital
Boston, MA

Peter V. Draganov, MD, FASGE
University Of Florida College of Medicine
Gainesville, FL

Phillip S. Ge, MD
The University of Texas MD Anderson Cancer Center

Rajesh N. Keswani, MD

| 8:00 - 8:10 am | Welcome and Introductions  
Course Directors: Christopher Chapman, MD, and Gottumukkala S. Raju, MD, FASGE |
| 8:10 - 8:30 am | Managing Anti-Coagulants and Anti-Platelet Agents: When to Stop and Restart?  
Rajesh N. Keswani, MD |
| 8:30 - 8:50 am | Setting up Your Electrosurgery Unit for Resection, Hemostasis, and Edge Ablation  
Christopher Chapman, MD |
| 8:50 - 9:10 am | Advanced Imaging in the Colon for Polyp Detection  
Cyrus R. Piraka, MD, FASGE |
| 9:10 - 9:30 am | Emerging Role of Artificial Intelligence for Polyp Detection  
Jason B. Samarasena, MD |
| 9:30 - 9:50 am | Colonoscopy for the Long Haul - Stay Away from Occupational Injuries. Should I Have Disability Insurance?  
Amandeep K. Shergill, MD |
| 9:50 - 10:30 am | Faculty Questions & Answers, Video Panel Discussions (Cases)  
Christopher Chapman, MD, Gottumukkala S. Raju, MD, FASGE, Rajesh N. Keswani, MD, Cyrus R. Piraka, MD, FASGE, Jason B. Samarasena, MD, Amandeep K. Shergill, MD |
| 10:30 - 10:50 am | Principles of Management of Colon Polyps - Small, Large, Pedunculated, Flat, etc.  
Douglas K. Rex, MD, MASGE |
| 10:50 - 11:10 am | EMR Techniques: Submucosal Injection, Snares, and More  
Peter V. Draganov, MD, FASGE |
| 11:10 - 11:30 am | ESD - Are Hybrid Techniques and Traction Necessary to Get the West to Adapt.  
Hiroyuki Aihara, MD, PhD, FASGE |
| 11:30 - 11:50 am | Novel Overtube Device Assisted Colonoscopic Resection Techniques  
Mohammad Othman, MD |
| 11:50 am - 12:10 pm | Treatment of the Fibrotic Scar: Removing Residual and Previously Manipulated Polyps  
Mihir S. Wagh, MD, FASGE |

Live streaming participants will receive ongoing access to recordings of courses for which they registered via GILeap, ASGE’s online learning platform, approximately four weeks after the live event.

**Two Easy Ways To Register** - or to obtain a registration form

**ONLINE** [ASGE.org](http://ASGE.org)

**PHONE** (630) 573-0600 Monday-Friday, 8:30 AM to 5:00 PM CT

**Not a member?** Enjoy the member rate when you submit a membership application with your registration. Visit [ASGE.org/Join](http://ASGE.org/Join) for more information.

**Can’t attend?** Purchase access to the recording in GILeap at Learn.ASGE.org now. Recordings are available approximately four weeks after the course.

**CANCELLATION POLICY**

Requests for refunds must be sent in writing at least two weeks before the activity to education@asge.org. Refunds will be subject to an administrative fee of $100. Attendee substitutions are permitted with ASGE authorization. ASGE has the right to cancel a program at any time at its discretion.

For more information about this or upcoming ASGE educational courses, please visit [ASGE.org](http://ASGE.org), email education@asge.org or call [630-573-0600](tel:630-573-0600).
CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 8.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Please visit ASGE.org for more information on:

• ASGE Assurance to High-Level Scientific Evidence and Adherence to Neutrality
• HIPAA Accountability
• Educational Attributes
• ASGE Outcome Based Education Level
• ASGE’s Commitment to Our Learners

SUPPORT THE ASGE FOUNDATION

Educational programming is supported, in part, by the ASGE Foundation. To donate, visit ASGE.org.

For more information about this or upcoming ASGE educational courses, please visit ASGE.org, email education@asge.org or call 630-573-0600.
