

ASGE Virtual Postgraduate Course

SATURDAY, JULY 18, 2020

Gain Advanced Insights from Leaders in Diagnostic and Therapeutic Endoscopy

In these unprecedented times, ASGE is providing you with a seamless and convenient way to continue your professional development in GI endoscopy, while still earning CME and MOC credits.

Join the live virtual Postgraduate Course on Saturday, July 18, or on-demand after the course is over.

While travel limitations have hindered our traditional choices of learning opportunities, ASGE is still gathering leaders and experts from across the globe to come together at this virtual event to discuss evidence-based and outcomes-driven endoscopic management of gastrointestinal and related disorders.

Why You Should Attend

- Learn about the latest endoscopic innovations that have led to paradigm shifts in disease management and practical approaches
- Immerse yourself in the broad spectrum of techniques including colonoscopy, endoscopic resection techniques, enhanced imaging, ablation techniques, pancreaticobiliary endoscopy and obesity management
- Gain critical knowledge about advanced diagnostic and therapeutic endoscopy
- Participate in discussions on tools and techniques, tips and tricks to improve patient care
- Benefit from the vast combined knowledge of this august gathering of expert course directors and faculty

Earn 8 AMA PRA Category 1 Credits™ and up to 8 MOC points

This course is ideal for international and U.S.-based participants, including practicing gastroenterologists, surgical endoscopists, gastroenterology trainees, endoscopy nurses and technicians.

Course Directors

Prabhleen Chahal, MD, FASGE
The Cleveland Clinic Foundation,
Cleveland, Ohio

Mouen A. Khashab, MD
Johns Hopkins University,
Baltimore, Maryland

**Christopher C. Thompson, MD,
MHES, MSc, FASGE**
Brigham and Women's Hospital,
Harvard Medical School, Boston,
Massachusetts

Learning Objectives

Upon completion of this educational activity, participants will be able to:

- Describe new endoscopic techniques to select disease states that enhance the patient experience.
- Identify best-practice approaches to the management of complex endoscopic challenges.
- List quality standards commonly reference in 2020-2021 clinical practices.
- Evaluate emerging technologies with established endoscopic tools that could further optimize clinical practice outcomes in 2020.

Registration Fees

ASGE Member (M)	\$395
<hr/>	
ASGE Nonmember (NM)	\$525
<hr/>	
ASGE Member Trainee (MT)	\$45
<hr/>	
ASGE Nonmember Trainee (NMT)	\$75

**ASGE IS ALSO OFFERING
COMPLIMENTARY EDUCATION DURING
THE ENDOSCOPY 2020 EVENT.**

Leaders in Endoscopy

June 6, 2020 | 9:00 am - 12:00 pm CT

Join ASGE leadership to solidify your knowledge in the field of endoscopy.

Endoscopy 2020 is a GI Leap™ Year: Video Case Studies

June/July 2020

Access weekly, new cutting-edge videos highlight innovative endoscopic techniques on ASGE's GI Leap.
