ASGE Post-Graduate Course at ACG: Evidence-based Updates for the Practicing Gastroenterologist

October 22, 2021

Mandalay Bay Hotel
Las Vegas, NV

ASGE.org

Held in conjunction with the American
College of Gastroenterology Annual Conference

WHY YOU SHOULD ATTEND

The *2021 ASGE Post-Graduate Course at ACG: Evidence-based Updates for the Practicing Gastroenterologist* aims to provide comprehensive updates on several important endoscopic topics, ranging from optimal practice considerations, to oncologic endoscopy, to the endoluminal evaluation and treatment of inflammatory bowel disease complications. The topics and speakers were specifically curated to provide thoughtful and diverse perspectives, helping endoscopists from various settings thrive in their practice.

Participate in-person or virtually and receive the world-class educational experience that is the hallmark of ASGE, including the ability to participate in real-time Q&A sessions. Course materials will be available prior to the start of the course and upon completion you will receive access to the recording of each presentation along with PDF files of presentations in GI Leap. You will also earn both CME and MOC credits. We look forward to your participation at this hybrid event.

WHAT YOU WILL LEARN

1. Discuss approaches to optimizing day-to-day endoscopic practice (comprehension)
2. Describe how best to evaluate for and manage pre-cancerous and early malignant lesions of the foregut and colon. (knowledge)
3. Identify best practices in 'emergency endoscopy' services (comprehension)
4. Compare and contrast common pancreaticobiliary problems (analysis)
5. Recognize the spectrum of endoscopic care that can improve the health of IBD patients (comprehension)

WHO SHOULD ATTEND

This course has been specifically designed for practitioners of gastrointestinal endoscopy, especially gastroenterologists, gastrointestinal surgeons, gastrointestinal nurses, and fellows in training. This course is equally relevant to those in private practice and academic practice.

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 8.25 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8.25 Medical Knowledge MOC points in the American Board of Internal Medicine's

(ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
