

# ASGE-WGO Postgraduate Course at ACG: *Viva Endoscopy!*

*Held in conjunction with the World Congress of  
Gastroenterology @ ACG 2017*

**FRIDAY, OCTOBER 13, 2017**  
Orange County Convention Center  
Orlando, Florida

## 2017 Course Directors

**Andres Gelrud, MD, MMSc, FASGE**

Gastro Health  
Medical Director, Pancreatic Disease Center  
Miami Cancer Institute  
Miami, Florida

**Mark D. Topazian, MD, FACP, FASGE**

Professor of Medicine  
Mayo Clinic  
Rochester, Minnesota

 **REGISTER ONLINE**

[www.worldcongressacg2017.org/registration](http://www.worldcongressacg2017.org/registration)

# ASGE-WGO Postgraduate Course at ACG: *Viva Endoscopy!*

## Invited Faculty

**Barham Abu Dayyeh, MD, MPH**  
Assistant Professor of Medicine  
Mayo Clinic  
Rochester, Minnesota

**Peter V. Draganov, MD, FASGE**  
University of Florida  
Gainesville, Florida

**Antonio Rollan Rodriguez, MD**  
Clinica Alemana de Santiago  
University of Desarrollo  
Santiago, Chile

**Steven A. Edmundowicz, MD, FASGE**  
University of Colorado Denver  
Aurora, Colorado

**Reem Z. Sharaiha, MD, BSc, MBBS**  
Assistant Professor of Medicine  
Presbyterian Hospital  
Weill Cornell Medical College  
New York, New York

**Nicholas J. Shaheen, MD, MPH, FASGE**  
Chief of Gastroenterology  
University of North Carolina  
School of Medicine  
Chapel Hill, North Carolina

**Uzma Siddiqui, MD, FASGE**  
Associate Professor of Medicine  
University of Chicago  
Chicago, Illinois

**Claudio Rolim Teixeira, MD, PhD**  
Interventional Endoscopy  
Moinhos Vento Hospital  
Porto Alegre, Brazil

## Agenda

Subject to change.

### FRIDAY, OCTOBER 13, 2017

6:30 - 7:30 am Registration and Continental Breakfast  
7:30 - 7:40 am Welcome and introductions  
*Course Directors*

#### **SESSION ONE - Preliminaries**

7:40 - 8:00 am **Anti-Thrombotic Drugs**  
Management of antiplatelet and anticoagulant drugs before and after endoscopy, and in patients with GI bleeding  
*Mark D. Topazian, MD, FACC, FASGE*

8:00 - 8:20 am **Endoscope Disinfection: What You Need to Know**  
The risk of microbial transmission by endoscopes, and current best practices for performing and monitoring endoscope disinfection  
*Uzma Siddiqui, MD, FASGE*

8:20 - 8:40 am **Panel Discussion Q&A**

# Agenda

## **SESSION TWO - Cancer Screening, Prevention, and Diagnosis**

- 8:40 - 9:00 am**      **Colon Polyps Big and Small**  
Detection of subtle polyps, and endoscopic management and follow-up of both small and large colon polyps  
*Claudio Rolim Teixeira, MD, PhD*
- 9:00 - 9:20 am**      **Diagnosis and Endoscopic Treatment of Barrett's**  
How to perform state-of-the-art diagnostic endoscopy for diagnosis of Barrett's esophagus and Barrett's dysplasia (are advanced imaging technologies of proven benefit?); and which patients to treat endoscopically with available modalities treatment and techniques of endoscopic resection  
*Nicholas J. Shaheen, MD, MPH, FASGE*
- 9:20 - 9:40 am**      **Screening for Early Gastric Cancer**  
New endoscopic techniques for detection of gastric dysplasia and early gastric cancer; which patients to screen and which treatments to recommend  
*Antonio Rollan Rodriguez, MD*
- 9:40 - 10:00 am**      **EUS: How to Maximize Your Tissue Yield**  
Indications and best endoscopic techniques and devices for EUS-guided aspiration and core biopsy  
*Uzma D. Siddiqui, MD, FASGE*
- 10:00 - 10:30 am**      **Panel Discussion Q&A**
- 10:30 - 10:50 am**      **Break**

## **SESSION THREE - Bariatric Endoscopy**

- 10:55 - 11:15 am**      **Managing Complications of Bariatric Surgery**  
Endoscopic approach to leaks, dehiscence, sleeve dysfunction, and weight regain after bariatric surgery  
*Reem Z. Sharaiha, MD, BSc, MBBS*
- 11:15 - 11:35 am**      **Primary Bariatric Endoscopy**  
Short-term and long-term efficacy and adverse events of current endoscopic modalities; patient selection; which techniques should be part of clinical practice now?  
*Barham Abu Dayyeh, MD, MPH*
- 11:35 - 11:55 am**      **How to Start a Bariatric Practice**  
What cognitive and endoscopic training is required? Is a team approach to obesity required, and who are the key team members?  
*Steven A. Edmundowicz, MD, FASGE*
- 11:55 am - 12:15 pm**      **Panel Discussions Q&A**
- 12:15 - 1:15 pm**      **Lunch Break**

## **SESSION FOUR - Pancreaticobiliary Endoscopy**

- 1:15 - 1:35 pm**      **Preventing and Managing Complications of ERCP**  
Risk stratification; when to say "no" ERCP; techniques that minimize the risks of ERCP; approach to post-ERCP pancreatitis and hemorrhage  
*Peter V. Draganov, MD, FASGE*
- 1:35 - 1:55 pm**      **Biliary Stones**  
When to perform ERCP before or after laparoscopic cholecystectomy; management of big stones including large caliber balloon dilation and lithotripsy techniques  
*Andres Gelrud, MD, MMSc, FASGE*
- 1:55 - 2:15 pm**      **Pancreatic Fluid Collections and Necrosis**  
Differential diagnosis of pancreatic cystic lesions; how to drain pancreatic fluid collections and necrosis and manage adverse events  
*Peter V. Draganov, MD, FASGE*
- 2:15 - 2:40 pm**      **Panel Discussions Q&A**

## **SESSION FIVE - Emerging Endoscopic Techniques**

- 2:40 - 3:00 pm**      **Enteral Stents: What's New**  
New data, indications, and devices for enteral stenting  
*Reem Z. Sharaiha, MD, BSc, MBBS*
- 3:00 - 3:20 pm**      **New Ways to Control Hemorrhage**  
Over-the-scope clips, endoscopic suturing, EUS-guided therapies, and combined endoscopic/radiologic procedures  
*Steven A. Edmundowicz, MD, FASGE*
- 3:20 - 3:40 pm**      **Treatment of Difficult Esophageal Strictures**  
New endoscopic approaches to recurrent or refractory esophageal stenosis.  
*Nicholas J. Shaheen, MD, MPH, FASGE*
- 3:40 - 4:00 pm**      **Endoscopic Repair of Acute GI Perforations and Leaks**  
How to manage acute GI tract perforations and leaks endoscopically  
*Barham Abu Dayyeh, MD, MPH*
- 4:00 - 4:30 pm**      **Panel Discussion Q&A**
- 4:30 pm**      **Course Adjourned**

*Agenda updated 6/23/17.*

# Accommodations

## REGISTER ONLINE

[www.worldcongressacg2017.org/registration](http://www.worldcongressacg2017.org/registration)

Registration	ASGE or ACG Member	Non-Member
Physician	<input type="checkbox"/> \$395	<input type="checkbox"/> \$495
Trainee	<input type="checkbox"/> \$200	<input type="checkbox"/> \$250
Allied Health Professional	<input type="checkbox"/> \$200	<input type="checkbox"/> \$250
Practice Manager	<input type="checkbox"/> \$200	<input type="checkbox"/> \$250

**NOT AN ASGE MEMBER?** Save even more when you join ASGE prior to registering for the course. Visit [www.asge.org/join](http://www.asge.org/join) to join today!

## Registration

All registration is handled through the World Congress of Gastroenterology ACG 2017 website:  
[www.worldcongressacg2017.org/registration](http://www.worldcongressacg2017.org/registration)

This course is listed as the ASGE-WGO Endoscopy Course.

ASGE members are entitled to the member rate for the ASGE - WGO Postgraduate Course. If you are a member of ASGE and are registering under a non-member category, please type a comment in the online registration form, and the price will be adjusted accordingly before your credit card is charged.

## Continuing Medical Education

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 7.25 *AMA PRA Category 1 Credits™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

## Maintenance of Certification (MOC)

Successful completion of this CME activity enables the participant to earn up to 7.25 MOC points in the American Board of Internal Medicine's (ABIM) MOC program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

## Cancellation Policy

Written notice of cancellation and requests for refunds must be sent to [registration@gi.org](mailto:registration@gi.org) by September 22, 2017. After this day, no refunds will be possible. Registration cancellations are not accepted by telephone. There will be a \$50 administrative fee assessed for cancellation of any paid event. Refunds will be issued after the meeting.

### **ASGE / WGO2017 Postgraduate Course is taking place at the ACG Annual Meeting at the Orange County Convention Center in Orlando FL.**

The Hyatt Regency Orlando, located at 9801 International Drive, will be the official ACG and WGO headquarters hotel. Rooms have been booked at eight hotels in close proximity to the Orange County Convention Center. Special group rates for hotel, airfare and car rentals are available for attendees.

### **Meeting Sites Resource is the official housing bureau for the World Congress of Gastroenterology at ACG 2017.**

If you book outside of the official housing bureau, your housing reservation cannot be guaranteed.

For additional hotel and travel information visit:  
[www.worldcongressacg2017.org/registration/housing-travel](http://www.worldcongressacg2017.org/registration/housing-travel).

### **EXPLORE ORLANDO**

Orlando is home to Walt Disney World® and Epcot®, Universal Studios Florida®, SeaWorld®, and more. Visitors will find a number of outdoor and sports attractions, art museums and shopping.

### **INTERNATIONAL TRAVEL AND VISA INFORMATION**

WCOG at ACG 2017 recommends applying for a Visa as early as possible. For more information visit: [www.worldcongressacg2017.org/678-2](http://www.worldcongressacg2017.org/678-2)

### **AMERICANS WITH DISABILITIES ACT (ADA)**

Attendees at the WCOG at ACG 2017 who need additional reasonable accommodations or who have special needs should contact the ACG office no later than September 20, 2017.

# ASGE-WGO Postgraduate Course at ACG: *Viva Endoscopy!*

## WHY YOU SHOULD ATTEND

The ASGE-WGO Postgraduate Course is designed to highlight the state-of-the-art endoscopic management of gastrointestinal diseases that attendees encounter daily, and present important recent innovations that are changing clinical practice.

The faculty will provide tips and techniques that can be immediately employed to improve endoscopic outcomes. The series of course presentations will include case discussions and video content to stimulate audience dialogue with world-renowned faculty experts. This course gives expert solutions based on data and personal experience for challenging yet common problems such as antithrombotic management, treatment of challenging colonic polyps, detection and management of Barrett's esophagus, screening for early gastric cancer, new methods of controlling GI hemorrhage, ERCP management of difficult stones, how to avoid post-ERCP pancreatitis, optimization of EUS-guided tissue acquisition, endoscopic repair of GI perforations and leaks, management of difficult esophageal strictures, and how to develop an endoscopic bariatric practice.

## WHAT YOU WILL LEARN

Upon completion of this course, physicians will be able to:

- Discuss peri-procedural management of direct oral anticoagulants and antiplatelet drugs
- Identify methods to optimize endoscope disinfection in their practice
- Optimize polypectomy methods for sessile colonic polyps
- Describe state-of-the-art approaches to identifying, sampling, and managing Barrett's esophagus
- Implement techniques for diagnosis of early gastric cancer in at-risk patients
- Enhance their techniques for EUS-guided tissue acquisition
- Utilize various ERCP modalities for treatment of bile duct stones
- Implement best practices in endoscopic drainage and debridement of walled-off pancreatic necrosis
- Demonstrate techniques for minimizing the risk of post-ERCP pancreatitis
- Discuss strategies, indications, and technologies for small bowel endoscopy
- Implement new endoscopic management strategies for difficult esophageal strictures
- Employ new methods for control of gastrointestinal hemorrhage and repair of GI tract perforations and leaks

## WHO SHOULD ATTEND

This course has been specifically designed for practitioners of gastrointestinal endoscopy, especially gastroenterologists, gastrointestinal surgeons, gastrointestinal nurses, and fellows in training. This course is equally relevant to those in private practice and academic practice.

**For more information about this or upcoming ASGE educational courses, please visit [www.asge.org](http://www.asge.org), email [education@asge.org](mailto:education@asge.org) or call 630-573-0600.**

**SUPPORT THE ASGE FOUNDATION**  
Educational programming is supported, in part, by the ASGE Foundation.  
To donate, visit [www.asge.org](http://www.asge.org)

*Industry representatives interested in attending this course must contact Linda Kay Tyler, Senior Director of Sales and Business Development (phone: 630-570-5601; email: [ltyler@asge.org](mailto:ltyler@asge.org)) or Sara Estrella, Assistant Manager of Sales and Business Development (phone: 630-570-5618; email: [sestrella@asge.org](mailto:sestrella@asge.org)). In compliance with ACCME guidelines, industry representatives may not participate in hands-on training or ask questions during a CME course.*

Photography Waiver: ASGE periodically takes photographs and/or video during our educational courses and events, and reproduces them in ASGE educational, news or promotional material, whether in print, electronic or other media, including the ASGE website. By participating in this course, you grant the right to use your name and photograph for such purposes to ASGE. All postings become the property of ASGE.
