

Free 2019 Live Educational Offerings

ASGE wants to be your partner in supporting you during your training and beyond. Don't miss out on your free 2019 live educational offerings from ASGE. Don't miss out!

ASGE Annual Post Graduate Course

ASGE Trainee Members can register for the ASGE [Annual Post Graduate Course \(APG\)](#) at DDW for free. This year's APG course will focus on Best Practices and Emerging Paradigms.

This course will include discussions on tools and techniques, tips and tricks to achieve your own optimal outcomes for every day, as well as advanced diagnostic and therapeutic endoscopy. The broad spectrum of gastrointestinal endoscopy including colonoscopy, endoscopic resection techniques, enhanced imaging, Barrett's eradication, pancreaticobiliary endoscopy and obesity management will be covered. The course integrates didactic lectures, case-based discussion, video-cases, and panel discussions with audience participation to optimize the learning experience. [Register Now!](#)

ASGE 2019 Webinar Series

ASGE's [2019 Webinar Series](#) includes monthly live webinars presented by experts in the field on an array of content areas including clinical, quality, practice management, and coding and reimbursement. All webinar registrants will have access to the on-demand recordings after the webinar. 2019 Webinar Topics include: ADR Toolkit, Big Stones, Barrett's Esophagus, GERD and Anti-Reflux Therapies, Coding, Achalasia, Coding and Reimbursement, and Practice Management. Visit ASGE's [Course Calendar](#) to register today.
