2024 ASGE ANNUAL POSTGRADUATE COURSE

WHY YOU SHOULD ATTEND

This dynamic course is an evidence-based and outcomes-driven journey into the cutting-edge GI trends and technologies that are being used to improve patient outcomes. It covers an array of significant topics, including 3D imaging, common GI diseases and disorders, colonoscopy techniques, how to adopt new technologies in a cost-effective way and how to manage today's ever-changing patient population.

This highly interactive educational experience will be taught by some of the world's leading subject matter experts using a mix of tips and tools, lectures, videos and case-based and panel discussions. Don't miss out on this informative course!

WHAT YOU WILL LEARN

Participants will be able to:

- Appraise evidence-based practice recommendations in the management of colon polyps and high-quality colonoscopy (*Analysis*)
- Discuss critical updates in endohepatology and endobariatrics (*Comprehension*)
- Recognize endoscopic complications and management techniques (*Knowledge*)
- Identify management of pancreatitis and associated complications (*Comprehension*)
- List key indications, contraindications and set-up of endoscopic procedures in pregnant and other high-risk patients (*Knowledge*)
- Compare and contrast practical approaches to gastrointestinal health in LGBTQIA+ patients (*Synthesis*)
- Discuss advancing endoscopy training throughout post-gastroenterology fellowship years (*Comprehension*)

Register early to access special features and resources, along with an invitation to an expert panel Q&A session separate from the course!

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live activity for a maximum of 6.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.50 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
